| 8:35 p.m. | The BRUCE Show |
| 9:30 p.m. | Show Concludes |

About Sights for Hope

Sights for Hope **transforms the lives** of people with visual impairments in Pennsylvania's Lehigh Valley and Monroe County by **removing the barriers to their independence and success.**

We blend a service tradition inspired by Helen Keller nearly a century ago with contemporary practices to provide people with visual impairments the **skills, supports, and solutions** that advance their self-sufficiency. Learn more at SightsforHope.org.

**Your support tonight
helps transform lives
in our communities!**

Find out about tonight's special appeal in this program's center spread.

Our Services

- **Life Skills Education:** Group and one-on-one sessions that teach vision rehabilitation, orientation and mobility, adaptive use of technology, and elemental life skills.
- **Support Services:** Services for clients – including casework support, guided transportation, peer support groups, personal counseling, social and recreational activities, and public service opportunities – that improve their quality of life and their access to food and medical care.
- **Technology Solutions:** Functional low vision exams and individualized consultations performed to match clients and patients with the assistive devices and technologies that best meet their needs.
- **Prevention Services:** Free vision screenings for children that promote school success and community education programs that promote eye health, eye safety, and inclusion of people with visual impairments.

Our Clients Serve

Sights for Hope clients give back to their communities as members of our two Lions Clubs. Lions Club International is the world's largest service club organization, with 1.4 million members in 200 countries under the motto **We Serve**.

Our Lehigh Valley Sights for Hope Lions Club is a sponsored branch of the Whitehall Lions Club and our Monroe Sights for Hope Lions Club is a sponsored branch of the Stroudsburg Lions Club.

Members of our Lions Clubs are with us this evening at Songs4Sight. Ask them how support from people like you helps to transform lives like theirs.
