

Free Pre-K Vision Screenings

Ages 6 months and up

**SIGHTS
FOR HOPE** 

AI-generated image

Available in the **Lehigh Valley** and **Monroe County**

- We perform our screenings with a **Spot[®] Vision Screener**, a **non-invasive device** that can check a child's vision in seconds from 3 feet away.
- **Every child referred** for an eye exam receives **detailed results** to give the doctor.
- Our Focused Futures partners can **provide free vision insurance** and **affordable eye exams and glasses** to qualifying families.
